

***HG terra cotta clean & shine***  
***(HG product 86)***

HG "terra cotta clean & shine" is a wonderfully freshly scented, concentrated mopping cleaner with shine restorer, developed especially for the regular cleaning of all types of terra cotta floors.

1 litre is sufficient for 20 washes.

**Directions for use:**

**For regular cleaning:** Dissolve 50 ml (half a cup) in half a bucket (5L) of lukewarm water. Then clean the floor with a well wrung-out mop or floor cloth, regularly rinsing it in the cleaning solution. Do not rinse or mop dry, simply leave the floor to dry on its own.

**Maintenance:**

For intensive soiling or to remove the gloss coating of this product: See the HG terra cotta floors treatment matrix on the side of this bottle.
