500 ml e

### HG hygienic toilet area cleaner

HG "hygienic toilet cleaner" is a fast drying spray cleaner with a fresh fragrance for quick daily and hygienic cleaning of everything in the toilet area, such as the seat, the outside of the bowl, the cistern, the hand basin, the tap, and even the door handle. The special composition of HG "hygienic toilet area cleaner" produces a maximum hygienic result.

**Directions for use:** Turn the nozzle on the front side a quarter. Spray HG "hygienic toilet area cleaner" directly onto the surface and leave it to work briefly. Then wipe off the surface with toilet paper or a clean, dry cloth. Turn the nozzle a quarter after use (OFF). For regular cleaning of the toilet bowl, we recommend HG "hygienic toilet gel". For problem dirt, such as persistent limescale or urine stains, it is best to use HG "super powerful toilet cleaner". **Transport and store the bottle upright.** • Medical personnel can request the data sheet via +31 (0)36 54 94 777 • The consumer's information sheet can be obtained via [www.HG.eu](http://www.HG.eu)
